Amharc

Fógraíonn TG4, BBC Gaeilge agus Ciste Craoltóireachta Gaeilge Scáileán Thuaisceart Éireann scéim shuntasach nua faoin teideal 'Amharc'.

Tá 'Amharc' á bhunú chun tacú le mórléirithe scannáin fhaisnéise ar shaol agus déantús na n-ealaíon i dTuaisceart Éireann an lae inniu. Beidh mórshaothair á gcruthú faoin scéim, mórshaothair a chuirfidh le saibhreas phríomhsceideal clár BBC NI agus TG4, a thaispeánfar sna hamharclanna agus a tharraingeoidh an lucht féachana is leithne dá bhfuil ann.

Beidh gach réimse ealaíne san áireamh. Tabharfar tús áite do shaothar comhaimseartha ach cuirfear san áireamh saothair staire a bhfuil cóiriú agus tábhacht comhaimseartha leo chomh maith.

Beidh béim ar chóiriú agus ar scéalaíocht atá cruthaitheach nuálach ach a bhfuil modh scéalaíochta ann a mheallfaidh lucht féachana leathan chuige.

£150,000 a bheidh sa phota maoinithe don chéad séasúr den scéim seo agus táthar ag súil le dhá thogra a mhaoiniú.
Mar sin féin, d'fhéadfadh go roghnófaí tograí a bhfuil uaillmhian agus plean airgeadais níos airde ná sin acu ach iad cur isteach ar fhoinsí eile airgid.

Seolfar an saothar le taispeántas amharclainne agus beidh deis ann do thréimhse dáileacháin amharclainne sula gcraolfar iad ar TG4 agus ar BBC NI go luath i 2019.

Beidh an scéim á riar ag CCG I gcomhpháirtíocht leis na craoltoirí BBC agus TG4 agus ba chóir go gcomhlíonfadh na tograí seo tosaíochtaí agus aidhmeanna an CCG agus na craoltóirí.

Beidh ionadaithe ón CCG, TG4 agus BBC Gaeilge i mbun roghnú na n-iarratas.

Fad na scannán: 50 – 70 bomaite.
Buiséad léirithe: £75,000 an scannán ar a mhéad.
Formáid: HD le fotheidil Bhéarla.
Teanga: Gaeilge nó dátheangach.

TG4, BBC Gaeilge and Northern Ireland Screen's Irish Language Broadcast Fund would like to announce funding for a new initiative, entitled, 'Amharc'.

'Amharc' is being created to support the production of landmark creative films on the arts in Northern Ireland today. The initiative will provide film-makers with an opportunity to make distinctive, ambitious productions which will enrich BBC and TG4's main programming schedules and which will also have a cinematic release.

All artistic disciplines will be considered. Priority will be given to contemporary subjects but contemporary treatments of historical works will also be considered.

Emphasis will be placed on treatments and storytelling that are creative and innovative whilst also having an approach that will entice the largest audience possible.

In the scheme's first season, the total funding pot will be £150, 000 and it is expected that two projects will be funded.

However, it is possible that projects with a larger ambition and financial plan may be chosen if they seek funding from other sources.

It is envisaged that projects will launch with a cinematic release before they broadcast on TG4 and BBC in early 2019.

The ILBF will administer the scheme in conjunction with the broadcasters BBC and TG4 and the projects should comply with the ILBF and the broadcasters' priorities and aims.

Representatives from the ILBF, TG4 and BBC Northern Ireland will be responsible for selecting the applications.

Duration: 50 – 70 minutes.
Production budget: £75,000 max. per film.
Format: HD with English subtitles.
Language: Irish or bilingual.
