SONRAÍ EOLAIS EIPEASÓIDE

Bileóg do gach eipeasóid sa t-sraith

EOLAS: Dréachtann agus dáileann TG4 Pacáiste Eolais Séasúrach agus Seachtainiúil a théann chuig iriseoirí, colúnaithe, nuachtáin, irisí, EPG, Suímh Gréasáin, Aipeanna, lucht fógraíochta, agus stáisiúin raidió. Le gur féidir linn an t-ábhar is fearr agus is oiriúnaí dod chlár-sa a bheith sa bPacáiste seo, iarrtar ort an fhoirm thíos a líonadh do gach clár coimisiúnaithe.

GRIANGHRAFANNA: Is fearr íomhá tarraingteach ná 1000 focal. Baintear úsáid as grianghrafanna clár do Phoiblíocht, ar an Suíomh Idirlínn, ar Aipeanna TG4 agus in ábhar margaíochta. Dá fheabhas an íomhá, is fearr an seans go bhfoilseofar í agus eolas faoin gclár lena mbaineann sí. Ní ghlacann foilseacháin anois ach le íomhánna ardchaighdeáin jpegs de 300dpi. Ní úsáidfidh siad "grabs" ón gclár féin.

EOLAS: TG4 issues programme information to various sources each week, the information requirements vary depending on where it is being issued. Information destinations include journalists, columnists, newspapers, magazines, Electronic Programme Guides, Websites, Apps, Advertising & Sponsorship companies and others. To help us to promote your series, across all platforms, we would appreciate if you could complete this form for all comissioned programmes.

PHOTOS: A Picture tells a 1000 words. Programme images are used for publicity to external sources but also across various platforms, online, such as on iPad and Smart TV App, on TG4 Player. The more arresting the image, the more impact it will have in attracting the viewer to your programme. Images should be of high quality jpeg, 300dpi resolution. Screen grabs will not suffice.
